## MEET FACILITIES and GENERAL INFORMATION

The 2010 KISL Championship Meet will be held at the University of Tennessee Allan Jones Intercollegiate Aquatic Center in Knoxville, TN. This facility features a 50 meter by 25 yard competition pool and a separate diving pool. Spectator seating is available on the balcony level during all sessions. Team seating will be provided on bleachers set up on the deck surrounding the competition pool and diving well.

Parking for both participants and spectators will be available in the garage at the corner of Volunteer Blvd. and Andy Holt Drive. There may be a parking fee charged for those using this garage.

The diving competition will be held Friday, January 22 and the swimming competition will be held on Saturday, January 23. The swimming pool will be configured into two eight or nine lane courses for the Preliminary Session, allowing the Men's and Women's preliminaries to be swum simultaneously in the morning. For the Finals Session both Men and Women will compete on the same eight lane course.

Only properly-credentialed athletes, coaches, officials and workers will be allowed on the pool deck. All others may view the meet from the spectator gallery on the North side of the facility.

## PARTICIPANT ELIGIBILITY

The KISL Championship Meet is open to high school swimmers and divers being a member of one of the KISL member teams and meeting the eligibility requirements as stated in the current year TISCA rules. Additionally, 'Home Schooled' swimmers and divers in grades 9 through 12 may participate in the meet as 'Unattached'. Others may participate as 'Unattached' by permission of KISL Executive Committee.

Swimmers and divers must have participated in at least 2 regular season meets and meet all other KISL membership requirements to be eligible for the Championship Meet.

Qualifying times for certain individual events must have been met during a regular season meet for a swimmer to be entered in that event.

**Late Entries** or changes will be allowed until 9:00PM on Monday, January 18, but competitors will be entered as 'no time' on each event. Entries received after the Late Entry deadline will not be accepted. A Psych Sheet will be posted on Tuesday.

USA registered swimmers should also include their USA-S ID#, **only USA registered swimmers should include USA-S ID#**. All entered times must have been achieved during the current high School season which began on September 1, 2009. Each competitor may be entered in a maximum of four events, no more than two of which may be individual events. This means that any given swimmer will be seeded in only two events. Diving is an individual event and will count towards the total allowed events.

A team may enter any number of contestants in each event; however only four may place.

Failure to submit all dual/tri meet score sheets by the Entry deadline will result in all team entries being entered as "No Time"

## **MEET RULES AND PROCEDURES**

The KISL Championship Meet will follow the 2009-2010 National Federation of State High School Associations (NFSHSA) Rules Book, except as superseded by KISL Constitution and Bylaws, KISL Championship Meet Rules, or this Meet Invitation.

The Meet shall be conducted using fully automatic electronic timing equipment with timing and place order determined in conformance to the current NFSHSA and USA Swimming rules.

Relay Take-Off Judging procedure shall be in conformance to the current USA Swimming rules (currently section 102.15.6).

**It is the responsibility of the athlete or athlete's coach to notify the referee, prior to competition, of any disability of an athlete.**

## DIVING SESSION – Friday, January 22

The diving competition will follow the rules stated in the 2009-2010 NFSHSA Rules Book. It is the responsibility of both the coaches and competitors to know and follow the rules.

**Please remember NFSHSA rule 9-8-3: “A diver shall be disqualified and shall perform no further dives if he/she fails two dives.”**

The competition shall consist of 11 dives, five voluntary dives, and six optional dives. The five voluntary dives shall come from each of the five groups (forward, back, reverse, inward, twist) with their assigned degree of difficulty summing 9.0 or less. The six optional dives shall include at least one chosen from each of the five groups. No more than one optional dive from the same group is permitted through semifinals (round 8). **All 5 groups must be represented in the first eight rounds.**

The dives performed during each round of championship competition shall be as follows:

Preliminaries	Rounds 1-5	2 voluntary, 3 optional
Semifinals	Rounds 6-8	2 voluntary, 1 optional
Finals	Rounds 9-11	1 voluntary, 2 optional

**NEW FOR THIS YEAR:** Diving entries will be done online using the DiveMeets.com system. Each diver will need to register ([www.divemeets.com](http://www.divemeets.com)) and enter their dives in the meet. While this procedure is new for the KISL Championship Meet, the system has been used for some time in other meets held at the UT Allan Jones Aquatic Center and has been found to be a simple and accurate method to enter diving events.

If you have any questions regarding the DiveMeets.com entry procedure, please contact the Meet Director:

Jackie Bertucci  
(865) 531-7297  
[meetentries@pilotaquaticclub.com](mailto:meetentries@pilotaquaticclub.com)

On Friday, January 22, coaches and divers must check-in with the KISL representative at the table on deck to check that diving entries were properly received, pay \$10 entry fee per diver (unless payment was included with swimming entries), and supply dates of two meets in which the competitor either dived and/or swam in a high school dual and/or tri meet.

## SWIMMING SESSIONS – Saturday, January 23

The meet will follow a Preliminary session / Final session format. The Final session will be swum as two heats, Consolation and Final, for each event.

Relay entry cards will be given to the coaches prior to the start of the meet. It is the responsibility of the coach to enter the names and order of the swimmers in that event and the swimmers must give the completed card to the timer at the block prior to their heat.

The eight fastest times in each preliminary event will qualify to swim that event in Finals. The ninth through sixteenth fastest times in each preliminary event will qualify to swim that event in the Consolation finals. The 500 yard Freestyle will be swum as a "timed finals" event. The slower heats will be swum during the Preliminary Session and the fastest heat will be swum during the Finals session.

For Finals session, alternates should report to the Starter when the event is called to the blocks.
