

**2010 KISL CHAMPIONSHIP MEET
TEAM WORKER ASSIGNMENTS
January 23, 2010**

All Team Workers must check-in at the Worker Table that will be located on the main concourse of the aquatic center Spectator Level, near the main entrance. Once the workers have been checked-in they will be given a wristband that will allow them to be on the Deck Level for the duration of their work shift. **No one will be allowed on the pool deck without proper credentials or wristbands, all spectators must remain on the Spectator Level.**

There will be Team Worker meetings at 8:25 AM for Preliminary Session and 5:25 PM for Finals Session. Unless otherwise stated in the worker assignment description, all 'first shift' workers should plan to attend these meetings. These meetings will be held on the pool deck level and workers should plan to check-in early enough to insure they can be on the deck by the meeting start time.

Team worker assignments are for the duration of that session. Many schools choose to break up their assignment into 'shifts' so that their workers do not have to work the entire session. In this case, all 'first shift' workers must attend the worker meeting prior to the beginning of the session. Later shift workers must check-in at the Worker Table before they will be allowed on the pool deck to relieve the earlier shift workers. The earlier shift workers must remain at their positions until relieved.
