

2013 KISL OFFICIALS CLINICS

It is required that all persons who will be serving as **Starter**, or **Stroke & Turn Judge** at a KISL swim attend a KISL Officials Clinic at least once every two years and **Referees** must attend every year.. Additionally, the clinics are an excellent way for parents and other interested persons to learn the technical rules of competitive swimming, the rules and techniques for judging and starting, and other swim meet procedures.

We have scheduled a number of clinics on various dates, times, and locations for the convenience of team workers and parents, Please feel free to attend any of these sessions.

Please check the KISL website (www.kisl-swim.com) for updates to this schedule
